in 23 countries

54 Business Places in 23 Countries

## Our Products

Components for automobiles

Vending machines

Freezer/Refrigerator showcase

Living & Environment System

Electronic devices

Coin Mechanism Modem System

Heat Pump Hot Water Supply System

# Harmonious Coexistence of Nature Environment and Industry

# Educational Facilities

**Classroom in Forest**  
S F & NPO Offices

**Solar Panel**  
Rated Output 300 k w

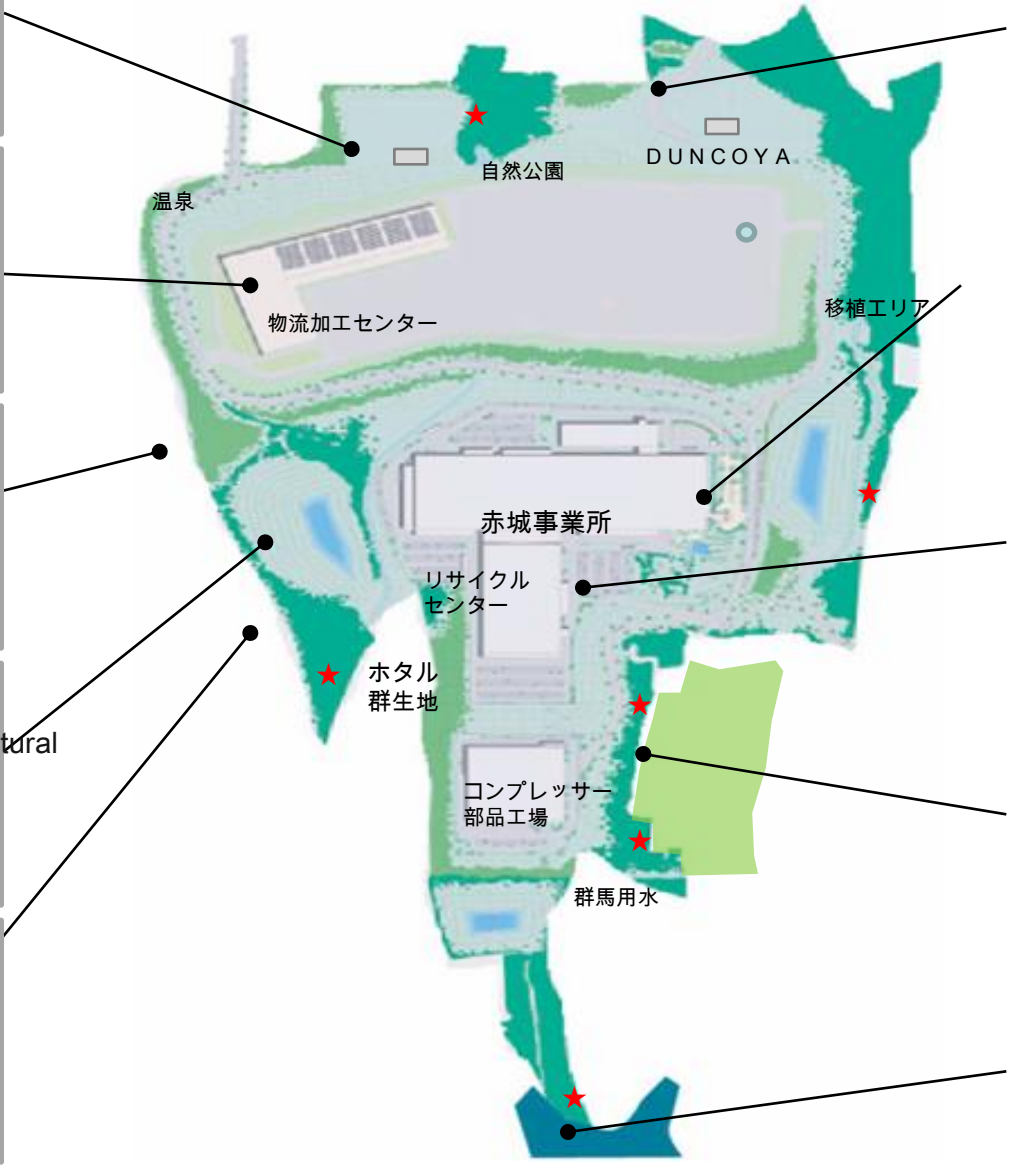

**Facilities for Precious Insects**  
Silkworm  
Precious Butterfly

**Biotope (West)**  
Neo-Natural Construction  
Fireflies

**Activity Area**  
Trees and Field of Activities

Hackberry tree for their larval stage  
**Trees for "Omurasaki"**

**Biotope (East)**  
Neo-Natural Construction

**Forest of Sunshine Filtering through Leaves**  
Rainwater Utilization  
Preservation of

**Employee's Forest**  
Association for Loving Forest  
Forest maintenance

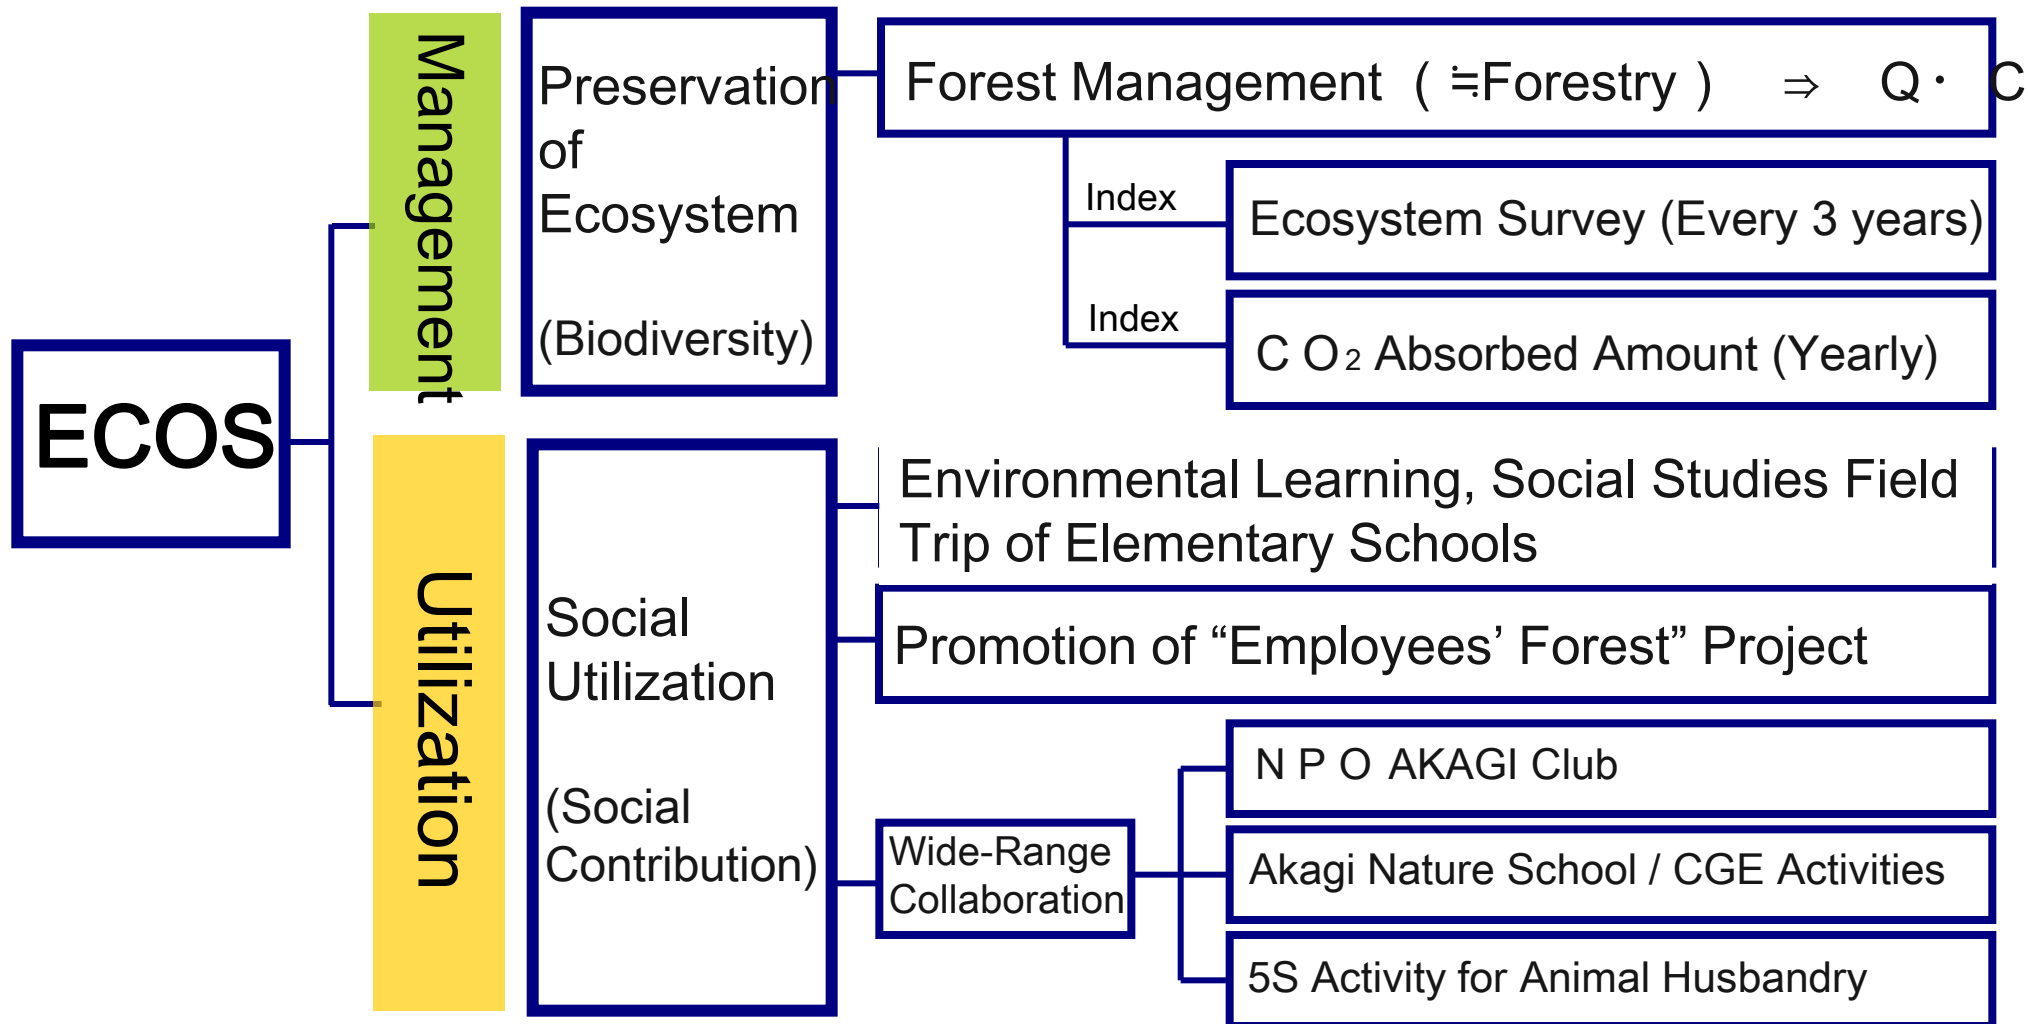

**Obayashi Pond**  
Water birds

★ : Preservation District for Endangered Species

# Operational Organization

- ECOS : Environmental Coordination (&) Operations Staff

# Distinguishing Features

- ◆ **Neo-Natural** (Close-to-Nature) **Construction Methods**  
(Development)
- ◆ **Environmental Survey** (Measurement)
- ◆ **NPO / Wide-Range Cooperation (Utilization)**
  - **Forest Management** (Environmental Preservation)
  - **Human Resources Development**  
(Environmental Education)
- ◆ **Inspection & Training**  
(Plant Tour & Nature Experience)

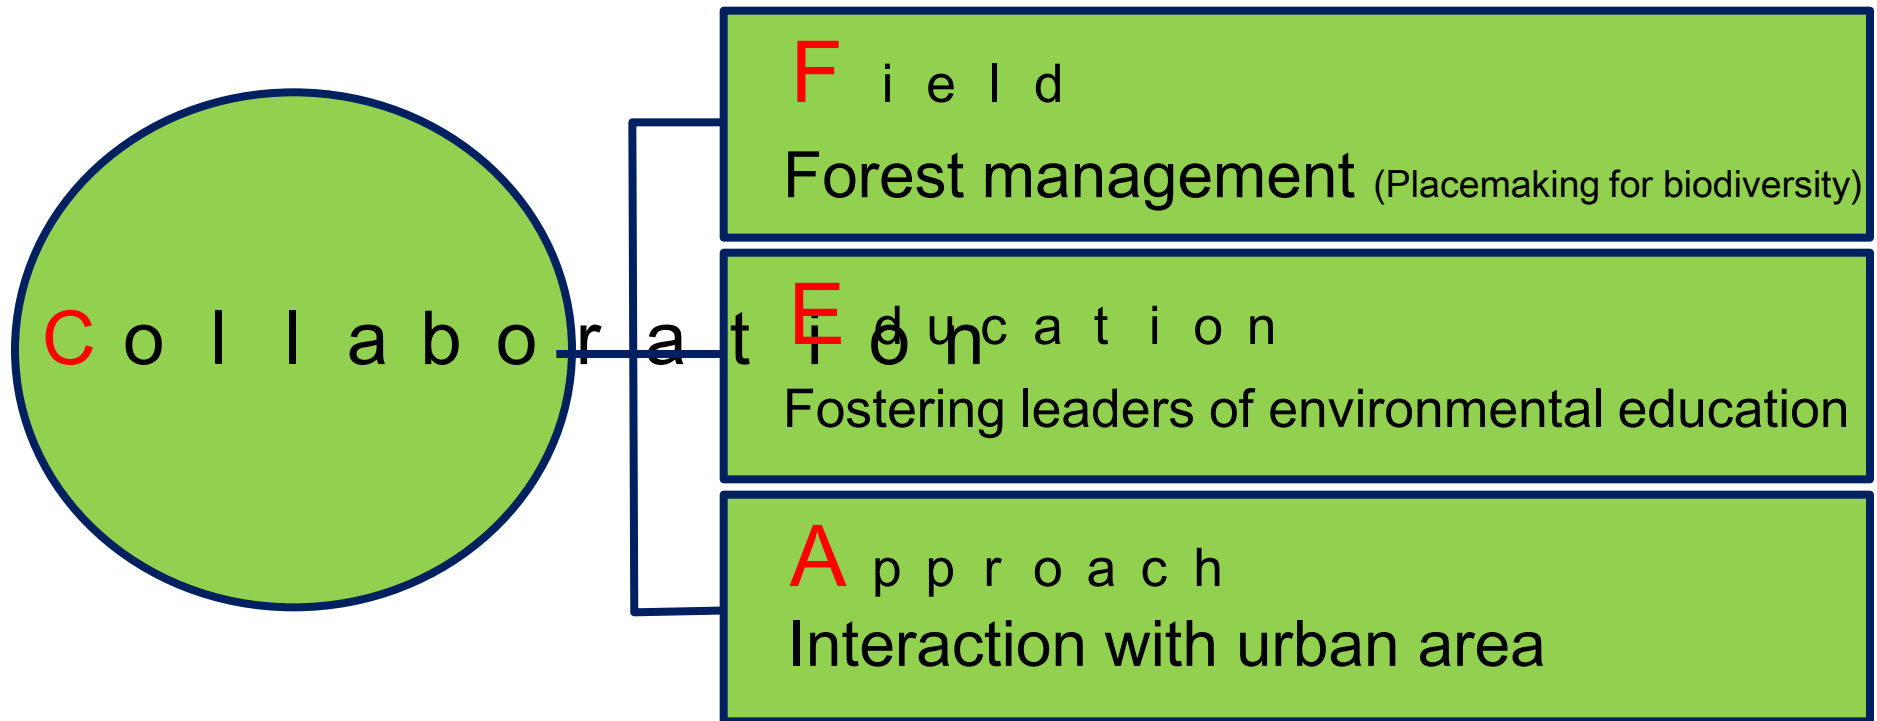

# Collaborating Activities

**Collaborating activities by 110 bodies of surrounding facility and individual**

# Collaborating Activities

Activities of NPO AKAGI Nature School → "FACE" Project

The Head Office of "AKAGI Nature School" locates  
in Sanden Forest

→ Centre of the wide-range  
environmental activity collaboration

## World Heritage

## Tomiooka Silk Mill and Related Sites

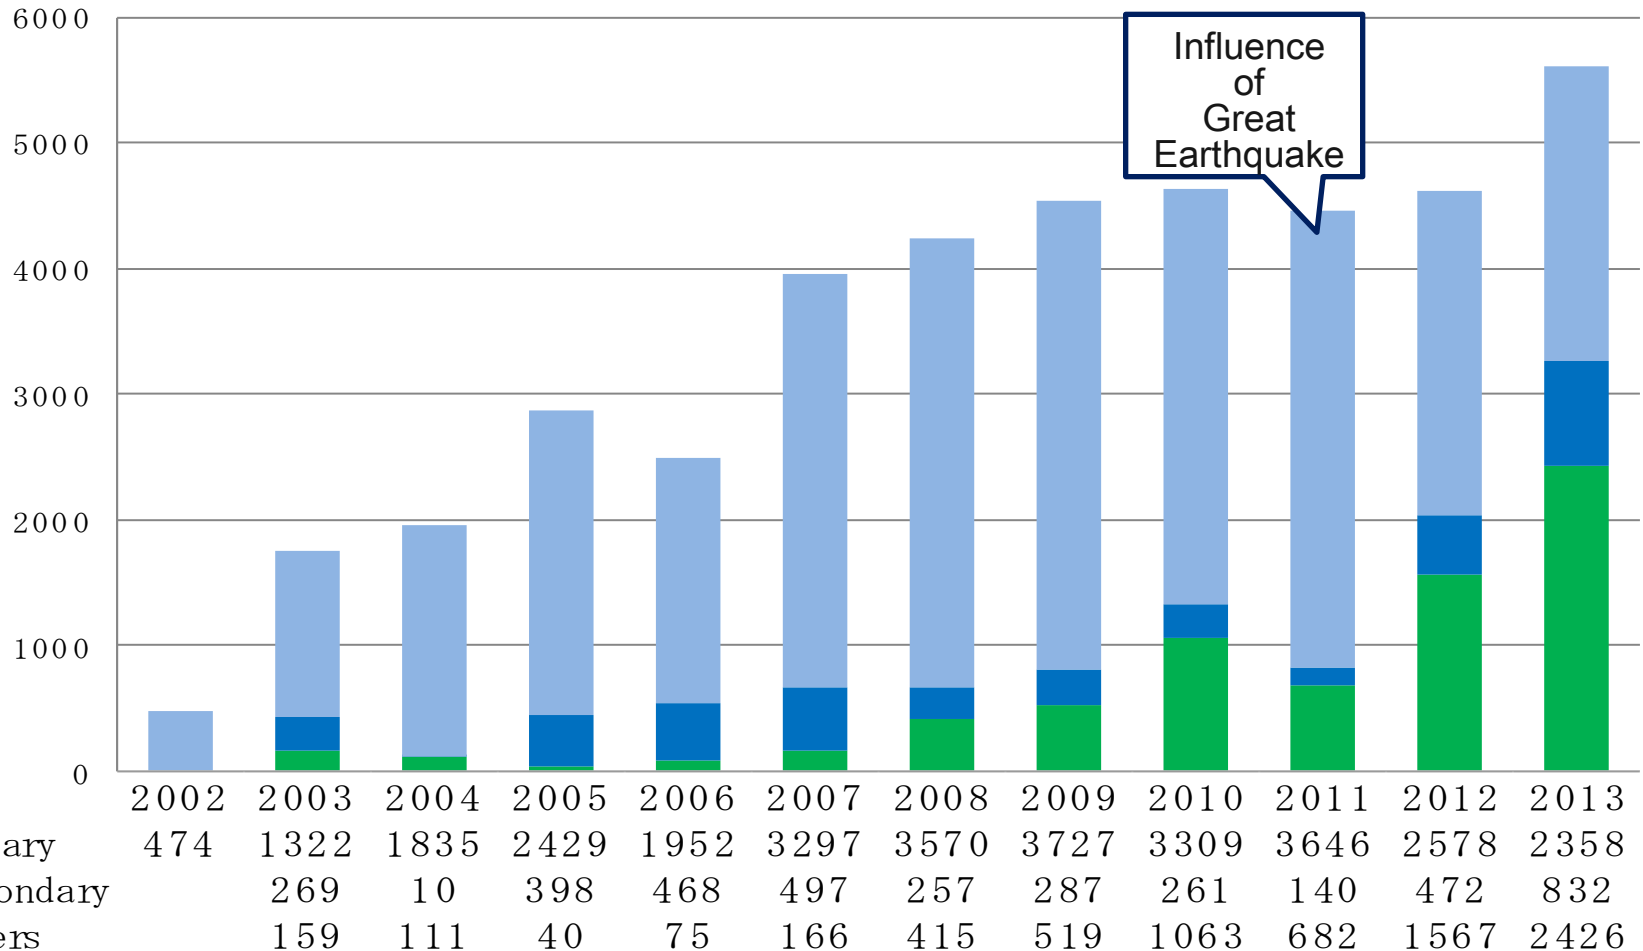

# Distinguishing Features

- ◆ **Neo-Natural** (Close-to-Nature) **Construction Methods**  
(Development)
- ◆ **Environmental Survey** (Measurement)
- ◆ **NPO / Wide-Range Cooperation** (Utilization)
  - Forest Management (Environmental Preservation)
  - Human Resources Development
