Participants from countries listed in **annex A** below require an entry visa for Canada and are strongly advised to contact the nearest Canadian diplomatic or consular mission **as soon as possible** in order to secure the required entry visa in a timely manner, prior to departure. **Please note that airline companies will not allow boarding in the absence of a valid visa.**

Information on visa procedures, including a list of relevant Canadian diplomatic/consular missions abroad, is available on the web site of Canadian Citizenship and Immigration at: <http://www.cic.gc.ca/english/information/offices/apply-where.asp>.

A number of countries (listed in annex A below) require Biometrics (fingerprints and photos) in order to enter Canada on a visa. Information can be found at the following link: <http://www.cic.gc.ca/english/visit/biometrics.asp>.

On-line visa application:

Anyone can apply online for a visa to enter Canada. However individuals who are required to provide biometrics still need to present themselves at a Visa Application Centre to provide this information. An application will not go forward without the biometric information. The CIC will send you a biometric instruction letter by email through your MyCIC account when they receive your application. Read and print this letter and bring it, along with your passport or other travel document, to a visa application centre (VAC) to give your biometrics. Find your closest VAC.

Please continuously check your MyCIC account for any incoming e-mails, queries, request for information and responses.

Important new information for participants from visa exempt countries who were previously able to travel to Canada without prior authorization will be required to complete an Electronic Travel Authorization (eTA). The eTA will be valid for 5 years or expiry of your passport (it is optional beginning in fall 2015 but will be mandatory in 2016).

Visa-exempt foreign nationals who fly to or transit through Canada will need an Electronic Travel Authorization (eTA) which will be mandatory on March 15, 2016. Travellers will need an eTA before they can board a flight to Canada. (exceptions include U.S. citizens and travellers by land or sea).

The eTA link is as follows: <http://www.cic.gc.ca/english/visit/visas.asp>

To facilitate the issuance of visas, the Secretariat will issue upon request invitation letters to be attached to the visa applications.
