# Regional Workshop for the Caribbean Region on Updating and Revising NBSAPs

## Workshop Objectives

CBD Secretariat  
5 – 7 September 2012

## Self-Introductions & workshop expectations

You have been provided with 2 pieces of paper.

Note your expectations on the paper – 1 expectation per piece. Please do not provide generic expectations – try to be specific.

Place your expectations in the box.

When it is your turn, state your name, country and organisation and then select one piece of paper and read out the expectations written there.

If an expectation being read out coincides with one you wrote down please raise your hand.

## Workshop Objectives

- 1) Facilitate national implementation of the Strategic Plan for Biodiversity 2011 – 2020, including by providing building capacity for setting national biodiversity targets
- 2) Provide countries with capacity building for reviewing, updating, revising and implementing NBSAPs; these NBSAPs are to serve especially as an effective tool for mainstreaming biodiversity into broader national policies
- 3) Facilitate active learning opportunities and peer-to-peer exchanges for National Focal Points and persons in charge of implementing and revising NBSAPs.

## Expected Outcomes

- 1) Adoption of national targets in line with the Strategic Plan by 2012;
- 2) A new generation of updated and revised NBSAPs, adopted as policy instruments and fully integrated into national planning processes by 2014;
- 3) Effective sharing of knowledge, practices and technologies in support of the implementation of the Convention.
