

# Regional Workshop for West Africa on Revising and Updating NBSAPs

## Workshop Aims and Objectives

# Specific Objectives

- Facilitate national implementation of SP by assisting Parties to develop national biodiversity targets
- Assist in reviewing, updating, revising and implementing NBSAPs, to serve especially as an effective tool for mainstreaming biodiversity into broader national policies
- To stimulate early actions to implement other Aichi-Nagoya outcomes, in particular, the Nagoya Protocol on Access and Benefit Sharing and the Nagoya-Kuala Lumpur Supplementary Protocol on Liability and Redress to the Cartagena Protocol on Biosafety

# Specific Objectives

- Support countries in making use of the findings of the third edition of the Global Biodiversity Outlook (GBO-3) and the Economics of Ecosystems and Biodiversity (TEEB) study, and in considering how the findings could be integrated into updated and revised NBSAPs;
- Facilitate active learning opportunities and peer-to-peer exchanges for National Focal Points and persons in charge of implementing and revising NBSAPs.

# Expected Outcomes

- Adoption of national targets in line with the Strategic Plan by 2012;
- A new generation of updated and revised NBSAPs, adopted as policy instruments and fully integrated into national planning processes by 2014;
- Early entry into force of the Nagoya Protocol on Access and Benefit Sharing and the Nagoya-Kuala Lumpur Supplementary Protocol on Liability and Redress to the Cartagena Protocol on Biosafety;
- Effective implementation of other COP-10 decisions, particularly as relates to the promotion of the TEEB findings and positive incentive measures for the conservation and sustainable use of biodiversity; and
- Effective sharing of knowledge, practices and technologies in support of the implementation of the Convention.
