Biodiversity Strategy In The Mediterranean Basin: from National to Local Action

A joint meeting of the Mediterranean regional workshop for national biodiversity strategies and action plans, and of the Mediterranean cities and local authorities network for biodiversity

To strengthen collaboration between national and local governments, and to foster regional cooperation in the Mediterranean Basin to reinforce the implementation of the Strategic Plan on Biodiversity for 2011-2020 in the region.

Biological Diversity

***Biodiversity Strategy in The Mediterranean Basin:
from National to Local Action***

*Introduction à la présentation (**Didier Babin**)*

*par **Gilles Pipien** (Banque Mondiale) et **Maxime Thibon** (Biodivnet) 20'*

Ecoute active des participants avec prise de notes. Quels sont les initiatives, les processus et les mécanismes qui pourraient être utiles et à portée de main pour atteindre les objectifs identifiés la veille ? Qu'est-ce qui manque ou qui ne semble pas assez efficace ou mobilisé ?

Questions et réponses 10'

*Introduction to the presentation (**Didier Babin**)*

*by **Gilles Pipien** (World Bank) and **Maxime Thibon** (Biodivnet) 20 '*

Listen actively with participants taking notes. What initiatives, processes and mechanisms might be useful to achieve the objectives identified the day before? What is missing or what does not seem effective enough or effectively utilized?

Questions & Answers 10 '

***Restitution of the pre-sessions
Presentation of the challenges***

Wednesday 18

**Biodiversity Strategy in The Mediterranean Basin:
from National to Local Action**

Un rapporteur "enjeux" par pré-sessions présente les résultats de sa pré-session

Les 6 enjeux majeurs du niveau national 10'

Les 6 enjeux majeurs du niveau local 10'

A rapporteur for "issues" from pre-session presents the results of their pre-session

The six major national challenges 10'

The six major local challenges 10'

Restitution of the pre-sessions Presentation of Demands of Offers

Convention on
Biological Diversity

Biodiversity Strategy in The Mediterranean Basin: from National to Local Action

Wednesday 18

Les 4 rapporteurs “offres” et “demandes” des pré-sessions présentent les résultats de chaque pré-session

Ce que le niveau local demande au niveau national (10') / ce que le niveau national offre au niveau local avec convergence et divergence ... (10')

Ce que le niveau national demande au niveau local (10') / ce que le niveau local offre au niveau national avec convergence et divergence ... (10')

Commentaires des participants (15')

The four rapporteurs present the results of "offers" and "demands" of each pre-session

What the local demand of the national level (10) / what the national level provides local: convergence and divergence ... (10 ')

What the national demand of the local level (10) / what the local domestic can provide to demonstrate convergence and divergence ... (10 ')

Comments from participants (15 ')

Results and road maps

Wednesday 18

17.30-18.00

**Biodiversity Strategy in The Mediterranean Basin:
from National to Local Action**

Affichage des résultats et des feuilles de routes

Candidature de porteurs des enjeux (pays, villes et organisations)

Display of results and road maps

Application of leaders of the issues (countries, cities and organizations)

Cocktail reception hosted by the City of Montpellier

**Biodiversity Strategy in The Mediterranean Basin:
from National to Local Action**

Départ des bus pour la réception 18.30
