NOTIFICATION

CALL FOR POSTERS

Fourteenth Meeting of the Subsidiary Body on Scientific, Technical, and Technological Advice, 10 – 21 May 2010, Nairobi, Kenya

The theme of the poster session for the fourteenth meeting of the Subsidiary Body on Scientific, Technical, and Technological Advice (SBSTTA) of the Convention on Biological Diversity (CBD), to be held in Nairobi, Kenya from 10 to 21 May 2010, is: **“Biodiversity and Climate Change: Achieving the 2020 Targets”**.

Parties, other Governments and relevant United Nations, inter-governmental, non-governmental, regional and international organizations, indigenous and local communities, and the private sector are invited to contribute posters and extended abstracts on case studies and best practices on how climate change and biodiversity can be mutually supportive in achieving the climate change agreement and the new strategic plan of the Convention on Biological Diversity. Contributors are encouraged to relate their topics to one of the goals of the draft strategic plan. Please refer to the goals in the attached poster submission form, or the draft strategic plan at the following link:

<http://www.cbd.int/doc/meetings/nr/ws4nrsp-cca-01/official/ws4nrsp-cca-01-sp-prep-02-en.pdf>

Please indicate your intention to present a poster paper by completing and returning the attached form by fax or email at your earliest convenience, but no later than **12 March 2010**. Upon receipt of your form, we will be pleased to forward detailed guidelines for posters and extended abstracts. Note that there will be a limit to the number of posters to be presented. Submission of posters and abstracts is not restricted to meeting participants.

The Secretariat of the CBD plans to publish the extended abstracts of the posters in its Technical Series. The deadline for submission of extended abstracts is **31 March 2010**.

Please accept, Madam/Sir, the assurances of my highest consideration.

Ahmed Djoghlaif
Executive Secretary

Please indicate below under which sub-theme from the draft strategic plan your poster could be included:

Please choose one:

[] Strategic Goal A. Initiate strategic actions to address the indirect drivers of biodiversity loss through communication, education and public awareness, the realignment of economic incentives and the mainstreaming of biodiversity across government and society:

[] Strategic Goal B. Address the direct drivers of biodiversity loss, reducing pressures on biodiversity from habitat change, overexploitation, pollution, invasive species and climate change.:
[] Strategic Goal C. Promote direct action to safeguard and restore biodiversity and related ecosystem services, and contribute to climate change mitigation and adaptation.

[] Strategic Goal D. Enhance implementation through planning, knowledge management and capacity development, and the fair and equitable sharing of the benefits arising from the use of genetic resources

Please fax or e-mail this completed form before **12 March 2010** to:
