NOTIFICATION

Submission of views on possible targets and indicators for the post-2020 global biodiversity framework related to the interlinkages and interdependencies between biodiversity and climate change

Madam/Sir,

Reference is made to notification [2019-108](#), sent on 3 December 2019, regarding an invitation to submit views on possible targets, indicators and baselines for the post-2020 global biodiversity framework.

Further to this invitation, the Subsidiary Body on Scientific, Technical and Technological Advice (SBSTTA) requested the Executive Secretary, in recommendation 23/2, to invite written submissions from Parties and others, seeking views on possible targets and indicators for the post-2020 global biodiversity framework related to the interlinkages and interdependencies between biodiversity and climate change, compile the views submitted and make them available for the consideration of the Open-ended Working Group on the Post-2020 Global Biodiversity Framework at its upcoming meetings and the Subsidiary Body on Scientific, Technical and Technological Advice at its twenty-fourth meeting.

I am pleased to invite you, as part of your submission in response to notification [2019-108](#), to take into account the above invitation from recommendation 23/2 and provide views on possible targets and indicators for the post-2020 global biodiversity framework related to the interlinkages and interdependencies between biodiversity and climate change. Submissions should be sent by e-mail to secretariat@cbd.int by **3 February 2020**.

Please accept, Madam/Sir, the assurances of my highest consideration.

Elizabeth Maruma Mrema
Acting Executive Secretary

To: CBD National Focal Points, SBSTTA Focal Points, Cartagena Protocol Focal Points, ABS Focal Points, indigenous peoples and local communities and relevant organizations
