is organising a conference on

Jellyfish proliferation and mitigation

Monitoring and Management of Jellyfish blooms for our Fisheries, Aquaculture and Maritime industries

23rd May 2014

9am - 6pm

Programme Statement: The 2007-2013 ENPI CBC Mediterranean Sea Basin Programme is a multilateral Cross-Border Cooperation initiative funded by the European Neighbourhood and Partnership Instrument (ENPI). The Programme objective is to promote the sustainable and harmonious cooperation process at the Mediterranean Basin level by dealing with the common challenges and enhancing its endogenous potential. It finances cooperation projects as a contribution to the economic, social, environmental and cultural development of the Mediterranean region. The following 14 countries participate in the Programme: Cyprus, Egypt, France, Greece, Israel, Italy, Jordan, Lebanon, Malta, Palestinian Authority, Portugal, Spain, Syria, Tunisia. The Joint Managing Authority (JMA) is the Autonomous Region of Sardinia (Italy). Official Programme languages are Arabic, English and French.

European Union Statement: The European Union is made up of 27 Member States who have decided to gradually link together their know-how, resources and destinies. Together, during a period of enlargement of 50 years, they have built a zone of stability, democracy and sustainable development whilst maintaining cultural diversity, tolerance and individual freedoms. The European Union is committed to sharing its achievements and its values with countries and peoples beyond its borders.

This project is co-financed by the European Union
under the ENPI CBC Mediterranean Sea Basin Programme

Total project budget: Euro 2,593,194
Co-financing rate: 90% EU contribution; 10% Project co-financing.

Project funded by the
EUROPEAN UNION
