## Information on Celebration of International Day for Biodiversity – Maldives

### Children’s Evening at AA. Maalhos – 22 May 2015

The International Day for Biodiversity, May 22<sup>nd</sup> is to be celebrated in Maldives in collaboration between the Ministry of Environment and Energy and International Union for Conservation of Nature.

This year’s celebrations are to be carried out at the Alif Alif Atoll Maalhos Island. A children’s evening focused on secondary students which includes different events related to biodiversity have been arranged. These events include;

- Speech on the importance of biodiversity
- Small play signifying the importance of biodiversity
- Painting event for children to display what they understand on biodiversity.
